Really nice big bodied heifer with a lot of lateral horn. Horns are twisting pretty hard early on, will be fun to watch this one. Really great genetics on this one, combining WS Jamakizm, Clear Point, and JP Rio Grande. She is bred to RJF Lock & Load (Cowboy Tuff Chex x M Arrow Cha-Ching) for a 2023 calf.

**TTT:** 65.5000 on 02/19/2023
