

MARCH 28, 2026

TEXAS TREASURE

Heifer  *Gale*

ST HH N 

WELCOME!

Welcome to the second annual Texas Treasure Sale! We are thrilled to have you join us for a weekend of enjoyment and community in the beautiful Texas Hill Country, specifically in the charming town of Fredericksburg.

This event is not just about showcasing elite Texas Longhorn heifers and top young herd sire prospects, but also about coming together to celebrate a shared passion and weekend full of fun.

When planning this event, our goal was to create a memorable experience that breeders would want to return to year after year. We've incorporated multiple opportunities for socializing, enjoying great food, and exploring the local offerings, such as shopping, spa days, vineyards, distilleries, and art galleries. We believe that these elements, combined with the Longhorn sale, create an enriching experience that goes beyond the cattle, making it truly special for everyone involved.

Fredericksburg offers a delightful backdrop for this occasion, with its welcoming atmosphere and unique attractions. We encourage you to take some time to enjoy all that this wonderful town has to offer.

Whether you're here to buy, learn, or simply appreciate the beauty of the Longhorns and the Texas wildflowers, this event promises to be a memorable experience. We are grateful for your presence and look forward to a weekend filled with great company, shared knowledge, and plenty of Texas charm.

Thank you for joining us at the Texas Treasure Sale. Enjoy your time in the Texas Hill Country!

God Bless,

Randy, Mike, Kurt, John, and Chap

MEET THE HOST

LM Longhorns

Nestled in the heart of the Texas Hill Country, LM Ranch encompasses 2,500 acres of rugged beauty and serene landscapes, bordered by mountains to the west and featuring four miles of spring-fed creek frontage to the south. Between the charming towns of Llano and Marble Falls, this picturesque setting provides the perfect backdrop for LM Longhorns, owned by Mike Davis, where cattle thrive in an environment fit for the discerning rancher.

Established in 2016, LM Longhorns embarked on its journey with the acquisition of five Texas Longhorns at the prestigious Red McCombs Fiesta Sale. Since its inception, the ranch has earned a reputation for quality breeding and industry excellence, making a significant mark within the longhorn community.

At the heart of LM Longhorns' breeding program is the celebrated foundation female, 3S Danica. Not only has she garnered accolades such as the Guinness World Record for Tip-to-Tip (TTT) measurement, but she also holds prestigious titles including TLBAA Superior Cow and Ultimate Cow in 2019. Her remarkable achievements underscore her substantial impact on LM Longhorns' herd, and her status as the highest-priced longhorn cow at auction exemplifies the quality that LM Longhorns strives to uphold.

Drawing heavily from the genetic legacy laid down by Alan and Teresa Sparger of the 3S brand, LM Longhorns benefits from decades of refinement and careful selection of the McCombs herd. The Spargers' commitment to quality has established 3S as a premier name in longhorn breeding, and LM Longhorns proudly continues this tradition, ensuring that the legacy of excellence endures.

LM Longhorns represents a blend of tradition and innovation in the world of Texas Longhorn breeding. With its remarkable foundation female and a commitment to strategic genetic enhancement, LM Longhorns continues to carve out a reputation as a leader in the industry, all while fostering a deep appreciation for the unique qualities of this iconic breed.

 LM LONGHORNS

MEET THE HOST

New Age Cattle Company

Located in the scenic pines of East Texas, New Age Cattle Company spans the picturesque landscapes of San Jacinto, Liberty, and Waverly counties. Here, cattle graze peacefully against the backdrop of the beautiful Sam Houston National Forest.

New Age Cattle Company, owned by Randy Murry, has established itself as a premier breeder in the Texas Longhorn industry, boasting some of the industry's most remarkable breeding herd sires. This impressive lineup includes notable names such as M.C. Hangin Tuff, Cool Hand Luke Chex, HL Double Barrel, BR Real Deal, Chatter Box, Banker, Dunn Wildfire, RJF Cowboy Reb, PCC Jack Rabbit, Jammin Rex, HIL5 Ol'Son, among numerous others bred in 2025.

Recognized as one of the largest herds of Texas Longhorn Cattle in the world, New Age Cattle Company is a leader in twist genetics, which has become a hallmark and focus of their breeding program. Randy Murry, who began breeding Texas Longhorn cattle at the age of 13, brings 28 years of experience to the industry, allowing him to implement effective strategies that enhance herd quality and genetic diversity.

The name "New Age Cattle Company" pays tribute to the original breeding program located in New Berlin, New York founded by Bill and Sue Burton, who were respected breeders in the industry. The Burtons' breeding program produced influential genetics, including animals like Overhead, Overjoyed, and Overchill. Their stock played a foundational role in the genetics of many notable cattle in the industry from the longest horn to the highest selling. The legacy of the original New Age genetics is embedded in nearly every elite Longhorn in today's breeding landscape and still reigns as the primary influence and genetic contribution to the ranch today.

In 2025, New Age Cattle Company achieved notable success by selling some of the highest-selling cows in industry (cash-cows). The ranch actively participated in twelve industry sales and hosted three private sales, highlighting its dedication and support of the breed. New Age Cattle Company demonstrated its commitment to the Longhorn community by donating over \$250,000 in 2024 to various initiatives within the industry, emphasizing its role in promoting the sustainability of Texas Longhorn cattle breeding.

Additionally, the ranch welcomed over 150 ranches from around the world to visit its operations in 2024 and 2025, reflecting its dedication to fostering connections and sharing knowledge within the breeding community.

New Age Cattle Company, with its substantial breeding program, rich legacy, and commitment to community, stands out as an influential player in the Texas Longhorn cattle industry.

MEET THE HOST

Silver T Ranch

Nestled in the heart of East Texas, Silver T Longhorns, owned by Kurt and Glenda Twining, is dedicated to the ethical breeding and nurturing of registered Texas Longhorn cattle. The operation prides itself on the quality of its herd, focusing on top-tier breeding stock that emphasizes genetic excellence and the preservation breed.

Silver T Longhorns employs a comprehensive breeding program that carefully selects from a diverse range of cattle sourced from various locations across the United States. This approach is complemented by the integration of their own branded genetics, which enhances their breeding efforts and fosters genetic development. Among the standout herd sires at Silver T Longhorns is Heartbreaker, a primary breeding bull known for his exceptional lineage. Heartbreaker is a product of the renowned Cowboy Tuff Chex and M Arrow Cha Ching and is a full brother to RJF Lock & Load and Happy 9.

Another notable sire being utilized is BR Real Deal, who boasts impressive horn measurements nearing 100 inches TTT (Tip-to-Tip) at the age of four. His dam boasts 108 inches TTT and he combines the over 100-inch TTT Horseshoe J Example "402", and the incredible 100-inch TTT Jammin Jenny. Additionally, Vindicator's Edge brings an impressive 90 inches TTT and has lineage that includes the stunning Miss Diamond, renowned for her own over 99-inch TTT measurement.

In November 2023, Silver T Longhorns added HH Never Forget to their herd, further enriching their genetic diversity with contributions from RM Awesome Pat, a distinguished swoop-horn cow bred by the late Red McCombs. The cow herd at Silver T Longhorns is equally impressive, featuring 24 females with horn measurements exceeding 90 inches TTT. Among them are Silver Heart, noted for her extraordinary measurement of 108.75 inches TTT, and Silver California, whose 100-inch TTT measurement at just three years old highlights the excellence of the breeding program.

Located within the expansive grounds of Silver T Longhorns, visitors will find several ranches, all parts of the Silver T family, contributing to the overall excellence of the breeding program. This unique setup allows guests to see promising future females at their separate ranch that supports the breeding programs commitment to maintaining a leading position in the industry.

Visitors to Silver T Longhorns could view one of the most premier red stag herds in the nation showcasing record scoring antlers and could even fish for record setting black bass. Visitors are always welcome to come for a one-of-a-kind experience.

Silver T Longhorns is dedicated to advancing the legacy of Texas Longhorns while upholding the highest standards of breeding and animal care

MEET THE HOST

HH Cattle Co.

HH Cattle Co., located in the picturesque Texas Hill Country near Stonewall, was founded in 2007 through a partnership between veteran Texas Longhorn breeder John Hever and Gillespie County rancher Chap Hutcheson. Together, they set out to create a small, elite herd of Longhorn cattle, ensuring that their passion for breeding excellence was at the forefront of their operations.

Headquarters on Chap's North Star Ranch, HH Cattle Co. has spent the last 28 years assembling a remarkable herd characterized by impressive genetics aimed at producing complete offspring and foundation females. Many of their cows have been sourced from the notable Red McCombs Ranches, while herd sires have been individually owned or acquired in syndicates with other dedicated breeders.

The Hutcheson and Hever families, including Chap and Ethel Hutcheson and John and Susie Hever, share a love for their cattle that extends beyond breeding. With a passel of grandchildren, they prioritize maintaining a calm and friendly demeanor in their herd—aggressive animals have no place in their operation.

Visitors to the Hill Country are warmly welcomed to tour the ranch, meet the herd, and enjoy the area's renowned wines and delicious peaches. This commitment to quality is evident not only in their breeding practices but also in their sales. In the 2024 Glendenning Fiesta Sale, they proudly showcased a heifer from their breeding program, named HH 100 Roses, which sold for \$65,000, highlighting the success of their cross genetics and dedication to excellence in the modern Longhorn industry.

AM Rose's Ruby

BY CHAPEL JAMES (SENIOR SALE HEIFER)

NACC TRAILER PARK TRISH

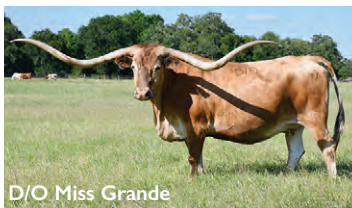

DOB: 5/18/2025 PH NO. 80 TLBAA NO. C1357044

HL DOUBLE BARREL — HUBBELLS 20 GAUGE
HUNTS RESPECTED DIANNE

TUFF TRISHA FL — TUFF AND GRANDE 2/15
K.C BEATRICE

Breeding: Not Exposed.

Comments: OCV. Meet NACC Trailer Park Trish! She may have the name of your local sketchy trailer park lady, but she's all business. This Longhorn heifer is balanced, deep-bodied, sound on her feet, and easy keeping. She travels clean and correct, stands on a solid foundation, and is gentle to handle. Trish is the kind that fits any pasture program and sticks around for the long haul- practical, dependable, and memorable enough to live up to her name.

PACIFIC LUCKY STREAK — HUBBELLS ROMANS 7
RED ROULETTE HCL

Breeding: Unexposed.

Comments: OCV. KDK Cashin Primrose is a striking brown brindle heifer with excellent conformation and a desirable lateral horn set. She is as sweet and calm as she is beautiful. Her sire measured over 84"TTT on his third birthday, and both granddams are over 90"TTT. Not surprisingly, Primrose's horns are off to a fantastic start, measuring over 41"TTT at just 13.5 months! To sweeten this package, we're happy to host Primrose for three months following the sale to pasture breed her to one of our sons of 100"TTT KDK Hercules, KDK Transformer (HSC Bronze winner) or KDK Scorpious (75"TTT at 25 mos). Take her home and bring your herd to the next level! For updates, please visit www.kdklonghorns.com

Buck Winn

BH Delightful 823

Comments: _____

LM Danica's Image

3S Danica

BY GLENDENNING FARMS

GF DARLING WINN

DOB: 3/6/2024 PH NO. 27/24 TLBAA NO. CI356605

GF BUCK WINN — DRAG IRON
RRR MISS RED ROSE 105

BH DELIGHTFUL 823 — PATTON HB
BH DELILA

Breeding: Exposed to Red River Firestorm 11/16/25 to Sale Date.
Comments: OCV. Darling Winn is truly something special. This beautiful red roan heifer is feminine, correct conformation, gentle disposition, and already showing a very desirable horn set with an early twist. Her roan coloring becomes richer and more pronounced by the day. Her sire, Buck Winn, is an impressive 91" TTT, and her dam, BH Delightful, stands at 93.5" TTT. Her grandsires are a "Who's Who" of legendary Longhorn bulls—90" TTT Drag Iron and 93.5" TTT Patton—giving Darling Winn a pedigree stacked with elite horn genetics. With this foundation, she is undeniably destined for the 90" TTT club. She sells exposed to Red River Firestorm, a 12-time award-winning bull boasting two Grand Champion and two Reserve Grand Champion titles. We are extremely excited about this mating. Darling is one of our favorites, and we will miss having her in our pasture.

MARLBORO MAN LM — KDK WILDFIRE
LM DANICA'S IMAGE

GLR 20 ROYALE GAL — HUBBELLS 20 GAUGE
TKR ROYAL TUFFETTE

Breeding: Unexposed.
Comments: OCV. This Marlboro Man heifer has it all – great color, conformation disposition and horn pedigree. The genetic combination on bottom and top are elite and rare with Cowboy Tuff and 20G on the bottom and 3S Danica on top. She is only 13 months old with horns going back hard and a pedigree that is world class by any standard. Her dam is a 20G daughter that will reach 80" TTT in her 3rd year followed by a strong maternal line of 80" and 90" females-- TKR Royal Tuffette, WS Rising Star and WS Sunrise. Her sire is Marlboro Man LM-the 2026 Legacy Spotlight bull-who should reach 90" in his 4th year and a 100"+ TTT Danica maternal line with Danica's Image, 3S Danica and 3S Touchdown Tari. She is a Texas Treasure indeed and the lucky buyer will profit immensely.

CIRCLE A LONGHORNS

Bryan and I bought our ranch in 2013 in Blanket, Texas. Both of us were still working full time in Midland, Texas, so the ranch was a part time gig. We needed to have some cattle on the place to keep our Ag exemption so we asked our neighbor (Ray Peterson) if he would like to have his Texas Longhorns graze our place! Like so many we absolutely fell in love with the Texas Longhorns. We purchased those cows in 2014 and that is where it started.

Bryan and I went to the Horn Showcase in Oklahoma on year and we knew then we wanted to upgrade our herd and start showing our cattle. The journey started, Circle A Longhorns was created and we began buying some cattle at sales like the Blue Ridge Sale, Red McCombs Sale and Hudson-Valentine. Tessa Wheeler has been an awesome source of cattle information for us as well. Love you Tessa!

A couple of years later, with the help of Brian Brett we bought a bull BR Carbon Copy and we had just purchased a really nice heifer Carolina Dream at the HV Sale. That year they both won Grand Champion at the HSC in Ft. Worth! They said it was the first time one ranch owned both Bull and Female Grand Champions! Those two produced our futurity heifer Destiny which is still a very important part of our herd.

Over the years we have learned so much from our fellow breeders! We continue with upgrading our genetics and breed for the ultimate longhorn. We feel so fortunate to be part of such an awesome group of people. Longhorn breeders are the most caring and nurturing group!

GLENDENNING FARMS

Glendenning Farms, owned and operated by Rex and Sherese Glendenning, has developed a distinguished reputation in the longhorn breeding industry over its 42 years of operation. Situated in the heart of Shawnee Trail, the farm has focused on creating one of the largest and most respected herds of Texas Longhorns.

The breeding program at Glendenning Farms emphasizes selective breeding practices aimed at enhancing key traits such as horn size, conformation, temperament, and overall health. This careful selection process not only aims to produce visually impressive cattle but also ensures their functionality and adaptability in various environments.

In addition to their breeding efforts, Glendenning Farms places a strong emphasis on education and community engagement. They actively participate in industry events and educational workshops, sharing their knowledge about best practices in longhorn breeding. The annual Fiesta Sale is a hallmark of their program, where they showcase a curated selection of high-quality cattle, providing buyers with opportunities to enhance their own herds.

Glendenning Farms emphasizes trust and transparency in the purchasing process, ensuring buyers can rely on the quality of their cattle from reputable breeders.

On the top side, you'll also find Horseshoe J Example, a female that ties back to BL Coach's Desperado and Dixie Charlene. On the bottom side, Bob is out of the over 91" TTT Cracklin Rose, a daughter of BR Cracker Jack – a proven herd sire with incredible horn genetics, bringing in Jammin' Jenny, known as one of the most iconic cattle in the breed. If you have watched Texaco heifers top the sales you know the power of Formal Attire genetics to your program.

Comments: _____

Tom and Amy Buxton have made a significant impact in the Longhorn industry, demonstrating their commitment to excellence through strategic breeding and investment in top-tier genetics. Under the Buxton Longhorns brand, they actively engage in both sales and private treaty acquisitions, consistently elevating the standard of the breed. Their dedication to calculated matings has resulted in elite calves, some of which are currently showcased at nationally recognized futurities.

The Buxton family's legacy in ranching spans over four generations in Iredell, Texas, represented by their "B" cattle brand. Since 1979, the Buxtons have embraced ranching across various livestock, including managing a state record whitetail herd and raising registered Texas Longhorns. Tom has also been involved with the Texas Longhorn Legacy Foundation, helping lay the groundwork for a new museum in the Fort Worth Stockyards dedicated to preserving and celebrating the legacy of Texas Longhorns.

In 2024, Tom and Amy were awarded the Mel Raley Rising Star award, recognizing their contributions to the industry. Tom and Amy are grateful for the friendships, mentorships, and wisdom they have gained along the way.

Buxton Longhorns is distinguished by its outstanding herd sires, including TJ BUX, BANKER, Schwarbomb, and Cool Hand Luke Chex, each contributing to the exceptional genetic quality of the breeding program. At the core of this remarkable herd is ECR Beautiful Heart, a matriarch celebrated for her impressive over 100-inch tip-to-tip horn and distinct genetics from the El Coyote Ranch.

Their southern hospitality extends to visitors at their ranch, located 80 miles southwest of Fort Worth in Central Texas, where guests can enjoy the extraordinary sights of world-record whitetail and world-class Texas Longhorns while connecting with some of the industry's finest people.

His sire needs no introduction, Drag Iron is one of the leading sires of 90" cows in the industry. JMW Ziggy's dam is M.C. Cheyenne. M.C. Cheyenne is a daughter of the 102" M.C. Hangin' Tuff. M.C. Cheyenne's dam is M.C. Joliet, who was sired by M.C. Mr. Big Stuff. We are truly proud to consign such a great young prospect.

Comments: _____

Jeff and Marcia Wilson, based in Georgia, have quickly emerged as passionate breeders of Texas Longhorns. Their journey began in 2022 when they decided to acquire their first longhorn cows and heifers, initially attracted by the breed's striking appearance and character.

Determined to establish a successful breeding program, the couple dedicated themselves to learning about key traits that define outstanding Texas Longhorns, including horn structure, color, and overall health. They adopted a meticulous approach to breeding, implementing synchronized artificial insemination (AI) techniques to access top bulls in the industry. By maintaining DNA records for every animal, they demonstrated a commitment to quality and genetic traceability.

Nutrition has been another cornerstone of their operation. Understanding that proper nutrition is essential for the growth and health of their longhorns, Jeff and Marcia developed a specialized feeding regimen along with access to free-choice hay, minerals, and fresh water. They made it a priority to walk through their pastures daily to monitor the health and well-being of their herd.

Additionally, the Wilsons have sought to give back to the longhorn community by participating actively in the Southeast Texas Longhorn Association. They engage with fellow breeders, share knowledge, and attend futurities, all of which contribute to their growth as responsible and dedicated breeders. With their focus on quality care, education, and community involvement, Jeff and Marcia are well on their way to establishing themselves as respected Texas Longhorn breeders.

M7 Longhorns has emerged as a remarkable player in the industry, driven by an unwavering enthusiasm for breeding quality cattle. From the outset, they were on a fast track to success. Under Wayne's leadership, countless hours were spent researching successful breeding programs and understanding the intricacies of genetics.

This thorough exploration led to innovative breeding strategies, uniquely positioning them in the market and allowing them to cultivate their own distinguished brand.

Their hard work is not just theoretical; it's reflected in the outstanding quality of their animals, known for their exceptional conformation, striking color, excellent disposition, and impressive horn development. Within a short timeframe, M7 Longhorns has become a well-respected name, showcasing deep expertise in genetics and breeding practices.

Their active participation in the Texas Longhorn Breeders Association of America (TLBAA) highlights their commitment to the community. They regularly engage in futurities, consistently attend events, and support fellow breeders by participating in sales across the nation. This commitment extends beyond business; they are known for stepping up to support various causes within the industry, demonstrating a spirit of collaboration and generosity.

The accolades speak for themselves: Nationally they won back-to-back 2022 Texas Longhorn Exhibitor of the Year, 2023 Texas Longhorn Exhibitor of the Year. Also, in 2023 M7 Longhorns was honored with the Texas Longhorn Mel Raley Rising Star Award.

In 2024 M7 Longhorns had 2 of the top 3 Futurity animals in the NLFR National Longhorn Futurity Race!

M7 Longhorns proudly features a diverse genetic lineup featuring top-tier bulls like WS Hydro, the hottest black bull in the industry HL Jango, Concealed Sunrise LVR, 2023-2024 Horn Showcase Ultimate Bull PCC Cactus, 2025 Legacy Spotlight Bull Cool Hand Luke Chex, Marlboro Man LM, genetic freak Schwarbomb son of \$275,000 DW Fast Stuff, M7 Irish Luck, M7 Grate Iron!

M7 Longhorns employs a strategic line breeding program tailored to enhance structural integrity, conformation, and milking capabilities. This systematic approach ensures continuous improvement in their cattle with each generation, solidifying M7 Longhorns as a leader in the industry and setting a high bar for quality and excellence.

TCC Sweet Mini

BY COLD COPPER RANCH

4C DOTTIE'S HOTTIE

DOB: 7/8/24 PH NO. 420 TLBAA NO. PENDING

PCC DARK KNIGHT — JH RURAL SAFARI SON
NIGHT SAFARI BL833

HOT SHOT'S DOTTIE — BANDERA'S HOT SHOT BCB
KETTLE'S BROCADE

Breeding: Not Exposed

Comments: OCV. 4C Dottie's Hottie is a July 2024 heifer that brings together two proven power lines — sired by PCC Dark Knight, the JH Rural Safari Son progeny known for his striking color, horn base, and presence, and out of Hot Shot's Dottie, a multiple futurity winner and Superior Cow at the 2022 Horn Showcase. Her pedigree blends the strength of Bandera's Hot Shot BCB, Whistle Me Dixie BCB, and Black Kettle 81, creating a foundation loaded with performance and production. With her elite maternal record and an impeccable paternal cross, Dottie's Hottie is bred for the spotlight—both in the pasture and in the ring.

BY GLENDENNING FARMS

GF TJ'S SWEETIE

DOB: 5/12/24 PH NO. 49/24 TLBAA NO. C1354374

TJ BUX — HUBBELLS 20 GAUGE
HUBBELLS TIGER LILY

TCC SWEET MINI — TUFF SPIRIT
SWEET MAXI EOT

Breeding: Not Exposed

Comments: OCV. We wanted to offer a true WOW heifer - and here she is - GFTJ's Sweetie. She is an absolute treasure. Sired by TJ Bux, the wildly colorful, big-bodied bull who earned both the 2022 Legends Reserve Grand Champion title and the 2022 HSC Class Champion, Sweetie is proudly following in his footsteps. She was Class 8 Champion out of 20 entries at the 2025 Chisholm Trail Futurity and placed 4th out of 18 at the 2025 HSC. Her dam is a daughter of the legendary Sweet Maxi EOT, the longest-horned cow in the breed at over 118" TTT. Sweetie is everything you'd want in a young female—stunning color, correct conformation, a gentle disposition, and an elite pedigree packed with serious horn power. You can't go wrong with TJ's Sweetie!

DOB: 4/13/24 PH NO. 208 TLBAA NO. CI357181

PCC DARK DUST — PCC DARK KNIGHT
PCC MIRACLES DUST

DH FLASHY SUE — ROWDY HR
DH LAID-BACK SUE

Breeding: Not Exposed

Comments: OCV. Here's your chance to own the first ever PCC Dark Dust heifer offered at public auction. This is a rare opportunity to add one of the most elite genetics packages in the industry to your program. PCC Dark Dust is the fastest-growing all-black bull on record hitting 90" before the age of 3 and already measuring an impressive 95" before turning 4. The dam, DH Flashy Sue, is sired by the legendary Rowdy HR, with Fifty-Fifty as her grandsire. This stacked pedigree speaks for itself. Opportunities like this don't come around often you simply can't miss with this powerhouse genetic package.

5D Lacey Sue

DB PROM'S CELIA

DOB: 4/8/24 PH NO. 882 TLBAA NO. CTI352001

WARLOCK HR — BIG RED HR
HR WHITE SHIELD

PROMENADE — CLEAR POINT
TUFF COWGIRL

Breeding: Exposed to DB Sullivan starting 10/22/25.

Comments: OCV. DB Prom's Celia is a true black and white heifer with a horn set looking to twist and roll out just like her dam. She has already pushed past the black horn and cranking out white at the base, poised to start stretching the tape measure. Her dam Promenade is a beautiful true black cow sporting over 90 inches of rolling lateral horn. She was Jr Champion Cow at the 2022 ITLA Championship Show. Her sire Warlock HR crossed the 100-inch mark and throws correct and colorful calves. His lineage contains some of the industry's most productive families. Celia is exposed to DB Sullivan a young, correct, dark striped brindle bull, sired by KDK Hercules. Celia is Parent Verified with DNA on File.

DJ SASSY JAGUAR — JAGUAR CHEX
BL MONIKA SASSY

JOSLYN DSM — M2 RIFLEMAN
RIKKI-TIKKI-TAVI DSM

Breeding: Not Exposed

Comments: OCV. Her dam, Joslyn DSM, a female that combines the powerful bloodlines of M2 Rifleman (full brother to the renowned Hubbell's 20 Gauge) and a twisty-horned Concealed Weapon daughter (Great Granddam) tracing to the 100"+ TTT Horseshoe J Example. Through her maternal line, she inherits genetics proven for superior structure, color production, and horn development. Sired by Dj Sassy Jaguar bringing in Jaguar Chex, and both Cowboy Tuff Chex and Cowboy Up Chex on the top. In December she measured 39"TTT at 14mos

RFJ BLACK MAGIC - TAG 165 — HUBBELLS 20 GAUGE
 KCCI OUTBACK FANCY

HLR WATCH ME 223 — MR RIO ROYAL
 NIGHT WATCH SCR

Breeding: Not Exposed
Comments: OCV. Her mother is still just 4 yrs old but I'm really starting to think she is going to be a very powerful foundation cow for us. Her mother, Night Watch SRC, had a heifer named Night Walk that was born the year before in 2020 that sold for \$15,000 in 2024 at the Legends. The Bentwood ranch owns her now and she is 92" as a 5 yr old. Night Walk's 2025 heifer sired by RJF Black Magic looks super flashy and is now in the possession of McEntire Farms. Her sire is also RJF Black Magic. Her sister out of her mother from 2023 named Watch Me Jama is probably one of our best built animals on our farm with great horn as well. This heifer is all spotted up and one of the prettiest faces you'll find anywhere with an incredible backward horn set with awesome hooks. She measured 33.75" on her first birthday even with the backward horn. She's built correct with good length and depth. It's hard to find one like this with the complete package

KDK TUFF'S COPPER SPARK

SR 007'S I'MAPRINCESS089 — HUBBELLS RIO 007
RJF TEXAS QUEEN

Breeding: Not Exposed

Comments: OCV. An elite sale deserves an elite heifer, so from the top of our 2024 calf crop, here is KDK Herc's Mari-gold! This beautiful red brindle heifer is very friendly, easy to work, and likes to come up to greet us when we enter the pasture. With 100"TTT, HSC bronze winner, and Superior Bull KDK Hercules as her sire, it is no surprise that Marigold's horns are off to a tremendous start. She measured 35"TTT before her first birthday! Her pedigree consists of proven production lines (Cowboy Tuff and Cha-Ching, to name a few) and many over 90"TTT and 100"TTT Longhorns. She's unex-posed and ready soon to breed to the bull of your choice.

Comments: OCV. Beautiful big bodied heifer who combines Delta Van Horne, Horseshoe J Example 402, and the clone of the huge horned Watson steer M Arrow Dream Maker. Her sire is the beautiful brindle lateral twist SR Claude 016. Solid pedigree for size and outcross genetics.

TERMS & CONDITIONS:

All cattle sell under the terms and conditions listed.

PAYMENT:

Terms of sale are ACH or check to the Texas Treasure Sale at the conclusion of the sale. Checks are made payable to Texas Treasure Sale. No refunds.

LIABILITY:

All persons who attend/bid during this sale do so at their own risk. Anyone associated with or anyone else connected with the sale assumes no liability, legal or otherwise, for any accident or loss that may occur.

HEALTH TERMS:

All cattle selling will be accompanied with a valid health certificate to be shipped anywhere in the continental United States.

BIDDING:

Each animal will be sold to the highest bidder with reserve. All bids are final. No Refunds.

ONLINE BIDDING:

Clicking to bid is a binding contract. Successful winning bids constitute as final sales. No refunds available. Hauling is organized and funded at the owner's expense.

BIDDING DISPUTES:

The auctioneer in charge will settle any disputes as to bids, and their decision on such matters shall be final.

TERMS:

Terms of the sale are cash or check to the Texas Treasure Sale at the conclusion of the sale. Checks are made payable to Texas Treasure Sale.

POSSESSION:

Immediately after the animal is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained until payment is made.

CERTIFICATION:

A certificate of registration will be furnished and transferred to the purchaser on each lot in the sale, including calves at side.

**HEALTH:**

Bidders should consider individual state requirements before purchasing.

GUARANTEE:

Breeder guarantees are strictly between the individual seller and the purchaser at the sale. All calves at side are given to the purchaser free and carry no guarantee.

NOTICE:

The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

PEDIGREES:

The seller has furnished the information on the pedigrees of the animals announced.

CONTRACT:

The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold. No cattle may be loaded until after payment is made.

BUYER RESPONSIBILITY:

Prospective buyers or bidders should look carefully at all comments for each lot. Buyers should acquaint themselves with terms concerning the breeder status, fertility, and health papers on each animal sold. It is the responsibility of the buyer to be aware of health regulations for transportation of animals into the state of their residence. By doing so, a buyer can save himself many problems and also enable himself to be more competent and qualified buyer.

Clicking to bid online is a binding contract. Successful winning bids constitute as final sales. No refunds available.

Hauling is organized and funded at the owner's expense.

If payment is made by credit card there is a 4% transaction fee.

INTERNET VIEWING & BIDDING
